

PSAT/NMSQT

The PSAT/NMSQT is the route of entry into the National Merit Scholarship Program, an academic competition conducted by National Merit Scholarship Corporation. The test is primarily for juniors although sophomores can take the test but their scores will not count in the completion.

The PSAT covers three areas: reading, math, and writing. The test will be given at Central High School in 2018 on Wednesday, October 10 at 7:30 am in the auxiliary gym. Students scoring the highest in each state will be named National Merit Semifinalists in September of their Senior Years with an opportunity to then advance to Finalist standing and earn college scholarships.
