

SAT

The SAT measures reading, writing and language, and math skills and knowledge developed over many years, both in and out of school. You won't be asked to recall facts from literature, history, or science, or to complete math formulas, because this test focuses instead on measuring your reasoning and critical thinking skills.

You have three hours of testing time, plus an additional 50 minutes for the optional essay.

You can also register online using MasterCard, VISA, American Express, or Discover at www.collegeboard.com.

Your high school code number is 420-000!

The SAT will be given in 2018-2019 at Northern State University according to the following schedule:
