

## **PRESIDENT'S AWARD FOR EDUCATIONAL EXCELLENCE**

The purpose of this award is to recognize academic success in the classroom. In order to be eligible for these awards students at the award level must meet the following requirements:

**-Grade Point Average:** Students are to earn a grade point average of 90 on a 100-point scale (an A- on a letter scale or a 3.5 on a 4.0 scale).

**-School Criteria/Standards:** This category enables school personnel to use new assessment and evaluation tools in developing award criteria at their school and apply the criteria fairly to all students. The primary indicators of excellence must be academic achievement. At Aberdeen Central High School students must score at the 85<sup>th</sup> percentile or higher in math or in reading on a college admissions exam such as the ACT or SAT.

Seniors receiving the President's Award for Educational Excellence are recognized at Awards Night in May and receive their actual award at graduation.
