

# REGENTS' SCHOLAR DIPLOMA

In 1988, the South Dakota Board of Regents identified the Regents' Scholar Curriculum which is designed to provide students with a solid foundation in their high school coursework providing the necessary skills for college and career readiness. This curriculum includes coursework in six content areas including:

- **4 credits of English:** Courses with major emphasis upon grammar, composition, or literary analysis; one year of debate instruction may be included to meet this requirement.
- **4 credits of algebra or higher mathematics:** Algebra, geometry, trigonometry or other advanced mathematics including accelerated or honors mathematics (algebra) provided at the 8<sup>th</sup> grade level; not included are arithmetic, business, consumer or general mathematics or other similar courses.
- **4 credits of science including 3 units of approved laboratory science:** Courses in biology, chemistry, or physics in which at least one regular laboratory period is scheduled each week. Qualifying physical science or earth science courses (with lab) shall be decided on a case by case basis.
- **3 credits of social studies:** History, economics, sociology, geography, government-including U.S. and South Dakota, American Problems, and similar courses.
- **2 units of a modern or classical language** (includes American Sign Language): The two units must be in the same language.
- **1 unit of fine arts:** Coursework in art, theatre, or music. Such credit may be in appreciation, analysis or performance.

For students to be nominated as recipients of the Regents' Scholar Diploma, they must have 1. Graduated from a South Dakota high school; 2. Completed the coursework identified in the six areas outlined above; 3. Receive a "C" or higher on all required coursework; and 4. maintained an unweighted cumulative grade point average (3.0 on a 4.0 scale) throughout high school.
