

## Is Project SEARCH for you?

It is a unique one-year business led transition program for individuals with disabilities age 18-21 in high school.

Yes	No	?	
			I want to work AT LEAST 16 hours a week making minimum wage or higher.
			I have completed my high school classes and haven't gotten my diploma.
			After next year, I do not want services with a high school.
			I will be at least 18 years old and am under age 21.
			I have a disability, or I am on a 504 Plan.
			I receive services from Voc. Rehab.
			I have good social skills and get along with others.
			I make sure I am clean and groomed well every day.
			I can communicate with people in my community.
			I am willing to have a background check and drug screening before August.
			My immunizations are up to date.
			I am willing to follow rules and respect others.
			My parents and guardians want me to work and live independently as an adult.
