

EDUCATOR'S HOME USE SOFTWARE AGREEMENT FORM

The Aberdeen School District 6-1, in cooperation with _____,
 Software Company ,
 hereby agrees to provide educators and staff members with a legal copy of

_____, licensed software that is currently being provided for use
 Software Name
 in the District. This agreement is in effect for the current school year. It is the responsibility of the
 educator/staff member to renew this agreement on a yearly basis.

The educator/staff member involved with this program agrees to use the software in good faith on
 one home computer. The educator/staff member will be responsible for replacing lost or damaged
 software. At such time that the educator/staff member is no longer employed by the Aberdeen
 School District 6-1, that individual **agrees to remove** the software application from the home
 computer involved. The responsibility for software installation/removal rests with the educator/staff
 member as outlined in this agreement with the school district. **The District is not responsible
 for any problems created during installation, use or removal of Home Use Software.**
