SUBJECT: District Carpet Replacement Recommendation
DATE: May 9, 2012

Specifications were drafted and advertisement was made seeking interested, qualified vendors for district carpet replacement. Carpet replacement bids were received and opened on Tuesday, May 8, 2012, at 10:00 a.m.

Two local, responsible bidders submitted bids. Proper signatures and bid securities were noted. The bid tabulation sheet is attached.

My recommendation is that the contract be awarded to low bidder, Carpets Plus, with the base bid amount of \$27,902.66 plus Alternates 1, 2 and 3.

Please contact me with questions or concerns.
