Aberdeen Public School Board
Dr. Harms

To Whom It May Concern:

I have an unmatched opportunity this summer and fall to work on a bronze sculpture project for the State of South Dakota and for a major philanthropic concern. The amount of time and effort involved would make it extremely difficult to work on both that and at my teaching job for The Aberdeen Public Schools system.

I am not eligible for early retirement at this point. I am, therefore, requesting that I take a sabbatical from my teaching position for the fall semester of 2012. I am confident that there are suitable substitutes available.

Thank you for your consideration,
