Dear Dr. Guffin,

This letter's purpose is to let you know of my plan to early retire from the Aberdeen School District at the end of the current school year. I am grateful that I have had the opportunity to work with ASD students, families and staff members over the years at Holgate Middle School and Central High School. It is simply time for a new chapter in my life.

I will always be sincerely thankful for your consistent support of me personally and the advocacy you provided for our district's counselors.

With appreciation,

*Dianne Brenden*
