Dear Aberdeen Public School Board,

It is with mixed feelings that I submit my resignation effective at the end of the 2015-16 school year. I appreciate the many opportunities I have had with the district. I especially have enjoyed my time at Aberdeen Central with our staff and especially with our students. I certainly will miss many aspects of my job. I have felt honored through the years to have been able to be a part of so many students' lives and to have been able to offer support and information as they have faced academic, personal and career challenges and choices. However, I am looking forward to spending time with family, traveling and perhaps working at something that isn't full time and has a more flexible schedule.

I will be more than happy to work with my replacement as requested in order to make the transition as smooth as possible.

Thank you,

Jill Stephenson
