Dear Dr. Guffin and members of the Aberdeen School Board,

I have decided after 27 years with the Aberdeen School District to retire at the end of this school year. I truly enjoyed working at Henry Neill for 12 years and 15 years at Simmons Elementary. I will miss the great staff I have worked with and students.

It has been great working for the Aberdeen School District.

Sincerely yours,

A handwritten signature in cursive script that reads "Darlene Twete".
