	POLICIES AND REGULATIONS	

SECOND READING POLICY DELETION

REGULATIONS: ~~SOURCE REDUCTION AND RECYCLING~~

~~This policy is not intended to eliminate any existing program currently in place, but to assure that they meet the criteria stated above and that total participation is realized.~~

~~It is the responsibility of District employees to transport to a central collection point(s) and place into larger District provided containers.~~

~~The District's custodial staff shall be responsible for maintaining these central collection points in an orderly manner, and when these containers become full, to contact the recycling vendor for pick up.~~

~~All recyclable materials generated in work areas that are not able to be placed in small desktop collectors, shall be transported to the central collection point where they can then be offered for recycling. Examples being: aluminum cans, cardboard, glass, steel, plastic, etc.~~

~~The District's garbage hauling vendor is required to dispose of all collected recyclables.~~

~~The District's various groups have the authorization to establish fund raising activities by collecting recyclables, and through the Buildings and Grounds office, negotiate a firm contract price with any recycling vendor.~~

~~Non-hazardous wastes which cannot be flushed down the toilet may be disposed of in regular trash pick ups, using a plastic liner in the trash can and a tight fitting lid.~~

~~All contaminated sharps (including needles, lancets, etc.) used by students or employees shall be placed in puncture proof containers which are labeled with the biohazard warning and sealed for disposal in an approved medical waste incinerator.~~
