Dear Board of Education and Dr. Becky Guffin,

I respectfully submit my Application for Early Retirement from my position as Speech-Language Pathologist with the Aberdeen Public School District effective at the end of the 2018-2019 school year.

I want to take this opportunity to thank you for all of the professional opportunities, support and encouragement I received while working for the district. As a Speech-Language Pathologist for the past 39 years in a variety of work places, I have genuinely enjoyed these past 21 years with the Aberdeen School District.

I will always have fond memories of my employment with the district and I am grateful for the many people with whom I was privileged to work.

Sincerely,

Beth Peschong, CCC-SLP
Speech-Language Pathologist
