Release of Liability for Students Transporting Themselves In Town for Educational Purposes During the School Day

Parents/Guardians/Adult Students (Age 18 and Older):

If your high school student (or you, if you are a student age 18 or over) plans to drive himself in town for educational purposes during the school day, please complete and sign the following form, and return it to your school principal. (Completing this form is not necessary for students who just drive themselves to and from school.)

(Student's name) _____ has my permission to drive and/or ride with another student who is driving to and from sites during the school day during his/her high school career.

I agree to hold Aberdeen School District 6-1 harmless in the event of injury to this student, including any property damages, while the student is driving or being driven to or from an educational site in a vehicle other than that provided by the District.

In addition, I agree not to assert against the District, all current, former and future members of the school board of the District, the current, former and future employees of the District, and their heirs, executors, administrators, successors and assigns, in any court of law, any claim or claims that the student and/or the parent or legal guardian had, now have, or may have in the future, whether known or unknown, based on any injuries sustained by the students while being so transported.

I have read the above agreement, and voluntarily sign the release and waiver of liability, and further agree that no oral representations, statements or inducements apart from the foregoing written agreement have been made.
