### **LOANING OF TEXTBOOKS**

Textbooks may be loaned to students who are residents of the Aberdeen Public School District upon written request by the student's parent or guardian when enrolled in the public schools or when approved by the school board for home schooling. Textbooks loaned shall be the same textbooks normally used by the students enrolled in the Aberdeen Public Schools. The constitution of the State of South Dakota and state statute authorizing the loaning of textbooks do not include workbooks or other teaching materials.

The amount of money expended per student in one budget year for purchasing textbooks for loan shall not exceed the annual per student costs for textbooks that are purchased for students enrolled in the Aberdeen Public School District.

All borrowed textbooks are to be returned to the public school at the end of the school year or immediately prior to moving out of the District boundaries. The cost of purchasing replacement textbooks due to loss, damage, or unsuitable condition will be assessed against the requesting parent or guardian receiving a loaned textbook.
