## **STUDENTS**

### **STUDENT ACTIVITIES**

Student participation in school activities is a privilege, not a right. Students who choose to participate in school activities are expected to positively represent their school and community by demonstrating appropriate behavior year round.

Students participating in school activities are required to conduct themselves with respect for self and others through their actions, language, and dress. Students who choose to participate in school activities represent their community and school at public events and performances. Student activity participants are expected to demonstrate behavior that reflects positively on the individual, the school, and the community year round.
