Public Information/School Communications Program

Parent Portal User Policy

The Aberdeen School District is committed to providing effective opportunities to enhance school-home communication. Educational research cites parental involvement as one of the most important components contributing to student success. Schools need parents to share in the responsibility and accountability for the outcome of their children's education.

In an effort to facilitate this communication, the Aberdeen School District will make the Parent Portal component of the Infinite Campus Student Management Software accessible to parents/guardians of students attending the Aberdeen School District. The Parent Portal allows parents/guardians to monitor the attendance, assignments, and grades of their children. Parents/Guardians electing to take advantage of Parent Portal will be expected to follow the guidelines outlined in Aberdeen School Board Guidelines KDA-R. Any parent who, by court order, has been deprived of visitation rights or of access to school records, shall not be permitted computer access to the school records.
