

Simmons Middle School Activities

Youth Power

Originally, Youth Power was known as Just Say No at SMS. Youth Power is a drug free organization open to 6th-8th graders. Its purpose is to provide activities of interest which are drug free and held in a safe environment. Students are asked to sign a pledge to be drug free and to make positive choices. Some of the activities include game nights, roller skating, movie nights, visiting the Humane Society, and attending the high school sporting events. The organization contributes to the community, as well as our own student population and school. A trip to Valley Fair is the culminating activity of the school year.

Coordinator: Sue Gapp, Sue.Gapp@k12.sd.us
